Sir:

The references cited on the attached forms PTO/SB/08A-B previously submitted on December 4, 2000, are being called to the attention of the Examiner. Pursuant to the Examiner's request, the December 4, 2000 Information Disclosure Statement has been revised to include the titles of the journal articles that were previously cited and mailed to the Patent Office on December 4, 2000. It is respectfully requested that the cited information be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue therefrom. Copies of cited references which the Examiner has not signed off on are being resubmitted for the convenience of the Examiner.

As provided for by 37 CFR 1.97(g) and (h), no inference should be made that the information and reference cited are prior art merely because they are in this statement and no representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information.

The December 4, 2000 IDS is being refiled after the mailing date of the first Office Action and more than three months after the filing date, but prior to the Notice of Allowance or Final Office Action.

Please deduct \$180.00, pursuant to 37 CFR §1.17(p), from the undersigned's Deposit Account No. 50-0990. Please deduct any additional fees from, or credit any overpayment to, the above-noted Deposit Account.

Respectfully submitted,
